THE **PIANO**
INSTITUTE

Inspiring young musicians.
Empowering our community.

The Piano Institute

As a highlight of the annual Piano Celebration Week, we are committed to providing high-quality piano education to children whose families may not have access to private lessons.

What We Offer

- 30 FREE piano lessons per student starting January 2026
- Individualized scheduling with a qualified instructor
- Lessons held at the TAMU-CC Center for the Arts
- Free loaner music books from our Piano Institute Library
- Performance opportunities including recitals, group lessons, concerts, and special events

Who Can Apply

Children in the community whose parents or guardians lack the financial means for private piano instruction.

Why Join?

Your child will receive sustained, high-quality musical training for eight months – building confidence, discipline, creativity, and a lifelong appreciation for music.

Piano Rental

Piano Institute students may borrow an electric keyboard for the full 8-month program. A separate rental contract will be signed upon registration. Instruments must be returned in their original condition at the end of the program.

Scholarship Information

Students may receive a full scholarship based on annual household income. Families earning **\$0-\$40,000 annually** are eligible. A copy of the family's **2024 income tax return** is required with the application.
